### WINDOWS OF MYSTIQUE

**Cat. No. 69561**

*Wardell Publications.* Malavika Tiwari has been described as a pioneer in the modern stained glass movement in India. This book contains photos and descriptions of her window designs in traditional, natural and contemporary styles, in addition to some with a more Eastern visual impact. The photos showcase entryways, windows, skylights, ceiling lights, partitions and more. 80 full color pages.

### WINDOWS FOR THE SOUL - Revised & Updated

**Cat. No. 70201**

*Bovard.* Ron Bovard, President of Bovard Studio Inc., shares his masterful vision and discerning wisdom gleaned from thousands of commissions and restoration projects. Read about some of Bovard's more memorable undertakings. Gain insight into the studio's creative process and project workflow including custom painting, staining, fabrication, bracing, installation and protective glazing. 160 pages in full color.
