CAT DESIGNS

Cat. No. 70453

McOnie. This book contains over 35 patterns for cats and kittens of all shapes and sizes. Each is shown in full color and can be constructed as suncatchers or incorporated into other glass projects. These feline friends are sure to capture the hearts of glass crafters. They are perfect not only for stained glass but also for mosaics, fusing and other crafts.

CELTIC KNOTWORK

Cat. No. 71643

Cecere. 15 full-sized patterns for stained glass suncatchers, panels and stepping stones. Contains knotwork style patterns in addition to a few other well-known motifs such as the Claddagh and the Welsh Wedding Knot.

MINI POWDER SIFT-A-LINE

Cat. No. 484401 - 1/16" (1.6mm)

Cat. No. 484402 - 1/32" (.8mm)

A handy tool for applying a fine line of powder on glass. Sliding a metal object over the corrugated handle eliminates having to shake the powder to apply. Two sizes available.
