GLOW FRIT

Cat. No. 74508

1/4 lb. package of 104 C.O.E. glow frit on a clear base. This frit can glow for a maximum of 7 hours!

CABINET / DRAWER PULL KNOB

Cat. No. 484313

Fill in the top of the bright silver colored metal knob with fused glass to make beautiful custom glass knobs. 1.25" diam. Includes screws.

PYREX ROD ASSORTMENT

Cat. No. 1554ASST

Consists of: 24 each 16" long Pyrex Rods; 4mm, 6mm, 8mm, 10mm.

SURE SCORE

Cat. No. 20715

A versatile straight edge. Designed so that the bottom side curved piece will permit angled and straight line scoring. At the same time, the unique design stops damage to carbide wheels from going off the edge of the glass.

REVOLUTION XT SAW - Cat. No. 29005

Endless length and width capability saw. Can cut up to 6 cm thick. Cuts inside and outside radius curves. No water pump - completely self-contained. Heavy duty, yet easily manageable. Drop ship from factory.

CARRIAGE KIT- Cat. No. 290051

This high quality tool makes precision cutting possible. With a Velcro® top, the carriage accessories can be placed exactly where they are needed. All shapes are possible, allowing the user to make perfectly straight cuts, and even slice off as little as 1/8" without blade wander. Comes complete with: Two 45° Angles, Two 30°-60° Angles, Two 5' Rails (24" diagonal capacity), One Fence Stop.

45° 2-WAY EDGER - Cat. No. 290053

Stainless steel construction. Gives the user the ability to cut 45° edges, sharp or blunt.

STAND FOR REV. XT SAW - Cat. No. 290052

Specially made for the Revolution XT to provide proper work height and easy set up.

GRYPHON STUDIO 12" DISC GRINDER ADAPTER Cat. No. 29001

An add on for the Gryphon Studio Grinder (Cat. No. 28620). Excellent for edge grinding stained or fused glass. Comes complete with a variable speed control, water pump with hoses/fittings and a precision balanced disc. Just add a 5 gallon bucket for your water source/drain. Gryphon Studio Grinder and discs are extra. Uses 12" discs.
