CHIMES FOR ALL SEASONS

Cat. No. 670201

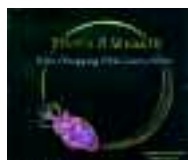

Whitcomb. Surprisingly easy to make windchimes. Any design in the book can be fused or foiled! Most can be made in an afternoon. Includes 17 patterns with individual instructions and full color photos of each finished windchime. Designs include Leaves, Hearts, a Rainbow, Jack O'Lantern, Reindeer, Shamrock, Sunflower, Ribbons for Remembrance and more.

FELINE FANTASY

Cat. No. 71052

Hogue. 17 adorable patterns of different cats doing the things that cats do. Full sized patterns include tips and full color photos of each finished design.

THAT'S A WRAP!!!

Cat. No. 62091

Abbott. An instructional CD-ROM about wire wrapping glass. View the CD on a computer using Acrobat Reader. Learn the wire wrapping technique through a pendant project. More examples are shown at the end of instruction. Each step of the way is explained and then photographed in color close up so that the student can check the work as they go through it.

THAT'S A WRAP, Too!!!

Cat. No. 620912

Abbott. The second instructional CD-ROM about wire wrapping glass. View the CD on a computer using Acrobat Reader. Teaches wire wrapping neck wires and how to integrate pendants to make a single, very stunning piece of jewelry. Each step of the way is explained and then photographed in color close up so that the student can check the work as they go through it.
