There's Always Something New at Ed Hoy's!

CLASSIC IMAGES - Cat. No. 68541

Terra. A collection of eight full-size classic-style patterns with a diverse grouping of new ideas. In addition to bird and flower themes, the designs include a striking abstract of trees shown in fall colors; a beautiful and calming Asian orchid arrangement; a fall topiary which can be embellished with fusing; a stately Victorian rose panel featuring jewels for added interest, a "Tropical Treat" and a "View of Tuscany". As a bonus, the book has additional projects taken from themes on the featured panels, including ideas for suncatchers, a small jewelry box, and a warming candle scone.

STUMP SUCKER 2" - Cat. No. 15621

Developed for Loren Stump, renowned glass sculptor. It is used to vacuum encase small glass sculptures for beads, buttons, paperweights, etc. Consists of a perforated graphite disk over which the sculpture is placed. This in turn is placed in a graphite cup with a tube through which the vacuum is drawn. A glass glob, heated to a soft state, is placed over the sculpture. Advanced lampworking skill is a requisite.

HOSE SET W/FILTER - Cat. No. 156212

For use on the Stump Sucker.

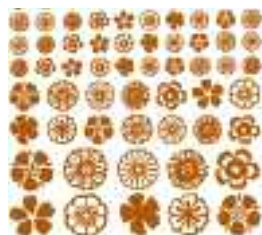

DECAL MAGIC GLASS ACCENTS - MINI GOLD DECALS

"Glass Accents" makes it simple to fire the elegance of real gold directly to glass creations. Apply these unique and intricate patterns to any smooth glass surface, front or back.
