DYNA-LIFT

Cat. No. 488801 - GTS2511-9

Cat. No. 488802 - GTS2511-13

Evenheat's Dyna-Lift is a lid lift assist for large kilns. The Dyna-Lift lightens the force needed to operate the kiln lid. It does so with ease and grace and with no negative effects upon the kiln itself. Hallmarks of the design include no kiln body connection, single point lifting, a three position lid vent and emphasis on allowing the lid to act naturally. It's easy to set up; no disassembly required.

THE STAINED GLASS HOME

Cat. No. 68205

Shannon & Torlen. It's absolutely breathtaking! The owners of the award-winning On the Edge Glass Studio have produced a wide-ranging, sumptuous collection of stained glass mosaic patterns that even beginners can enjoy crafting. Esteemed artists George W. Shannon and Pat Torlen offer a wealth of inspiration and instruction, as well as 23 projects for wall clocks, plaques, and hangings; trays and decorative plates; tabletops, nightstands, headboards; and more—plus ten additional garden stone ideas. A basics section covers everything a newcomer needs to get started—from copying the patterns to scoring and cutting to making Tesserae—and individual sections focus on mosaic construction techniques and translucent mosaics. There are dozens of "Helpful Hints" boxes, as well as definitions for terminology.
