INUKSHUK

Cat. No. 1205-GST-30

"In the likeness of a human". The official logo for the 2010 Winter Olympic games in British Columbia. 9 clear textured bevel pieces. Cluster approx. size 8" x 1". Complete with a pattern for a 16" x 20" rectangle panel.

HOTLINE® FOAM ROLLER ASSEMBLY - Cat. No. 48131

Makes shelf primer application easy. The foam roller smoothly and evenly coats a kiln shelf, without mess. It leaves no stray hairs, as often happens with brush application. After use it is easily cleaned. The foam roller is best used with the roller tray, designed for it. Roller width 4 x 1-3/8" diam. (102 x 35mm) 11-1/2" long handle.

FOAM ROLLER REFILLS - 2-PACK - Cat. No. 48132

MINI ROLLER TRAY - Cat. No. 48133

The plastic tray has a well to hold the mixed shelf primer. A nubbed flat surface squeezes out excess primer as necessary. 7-1/4 x 14-3/4 x 2-1/2"
