TECHNICOLOR PACKS - Coatings by Sandberg

Unlike anything currently on the market, these multi-colored CBS Dichroic Glass images custom designed in conjunction with artist Sherburne Slack, are initially available in "Stars" and "Hearts". Made with the images by fusing the clear glass pieces onto a black glass background. Available in 3 sizes: Small (20 pcs. approx 1/2" to 3/4"), Medium (10 pcs. approx. 3/4" to 1") and Large (6 pcs. approx 1" to 1-1/4"). All packs come in random color combinations and are offered on 90 & 96 C.O.E.

DICHOIC EMBELLISHMENTS - Coatings by Sandberg

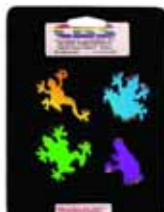

Intricately cut CBS Dichroic Glass images custom designed in conjunction with artist Teri Sokoloff. Customize the Embellishments by adding detail to the surface or even etch designs in the Dichroic. Use the base layer for fusing, lampworking and glass blowing as well. Offered in packs of four pieces that come in two sizes: Small (approx. 1.5" to 2" each) and Large (approx. 2.5" to 3" each) and come in 90 or 96 C.O.E. All packs come in random colors and each pack has 4 different images of the same type.
