BEBEVELED! PATTERN CD

Cat. No. 601760

by American Bevel and Paned Expressions Studios. Nearly 60 patterns are included in this unusual collection of designs that use bevel clusters and their pieces. All patterns are full size. Included are a mix of floral, quilt, Egyptian and fantasy themes to name a few. Files on the disk are in .jpg, .tif, and .eye computer formats for PCs and MACs.

WATER, WATER EVERYWHERE! PATTERN CD

Cat. No. 60178

Paned Expressions Studios. Whether under the water, on the water, or over the water, this collection covers the gamut of water themed patterns. From warm tropical waters to frozen waters of the far north, still waters and rapids; over 70 patterns are included full size and ready to resize, recolor and print. For all levels of expertise. Files on the disk are in .jpg, .tif, and .eye computer formats for PCs and MACs.

FRITOGRAPHY DVD

Cat. No. 62401

Featuring Michael Dupille. A step by step course in creating imagery with glass frit. Join nationally renowned glass artist Michael Dupille as he walks through this exciting kiln formed glass technique. He has taught hundreds of aspiring glass students his unique method of working with frit. The DVD is jam-packed with facts, fun and info.
