GET-OFF GLASS CLEANER

Cat. No. 50980

Leaves glass surfaces sparkling clean with a streak free, film free shine. Foaming action powers through the toughest grease and grime on any glass or hard surface. Protects and polishes in one easy step. Safe on tinted glass. ORMD

B & B DESIGNER TIP KIT

Cat. No. 50666

Draw, design & etch! Use designer tips to etch glass easily by writing, drawing or tracing to create your own unique treasure. Each designer tip provides a different line weight (thickness) so designs can be intricate or simple, delicate or bold. The kit comes with everything needed to etch glass (except the glass itself). Includes 2 fl. oz. etching creme, dispenser bottle, dispensing cap, three metal design tips, three plastic design tips, project ideas and instructions.

CANDY DISH MOLD

Cat. No. 486490

7" x 7" x 1-3/8" curved fusing mold.
